

BREEDERS AWARD *Program*

\$10,000

This program is designed to encourage and reward breeders that are breeding for what we consider an ADHHA foundation horse.

- 1. Foals must be ADHHA Registered.**
- 2. Bring your foal to the ADHHA Keuring to be evaluated and scored according to Keuring Rules & Regulations.**
- 3. If your foal scores 81 or more points it is eligible for the “\$10,000 Breeder’s Award.”**
- 4. If multiple foals score over 81, the \$10,000 rewards will be divided equally.** *Scores are subject to change, but not without sufficient notice.*
- 5. These rewards will be for the breeder who bred the foal.**

ADHHA is not responsible for any discrepancies in paperwork, or for defining who the foal breeder is. ADHHA has the right to reject any foal for eligibility at any given time.
