# ADHHA Weanling Roadster Rules and Type

## ADHHA Roadster Weanling Type:

The Roadster weanling's Appearance should be attractive with a show horse attitude and have a refined head with a broad forehead, large nostrils, and shallow mouth. He should have smart, well-placed ears and a fine throat latch. Neck is fine but muscular and shows depth through the chest. Head should be carried high and upright with a hinge at the poll. The Roadster weanling should be a good full-made foal with refined solid legs, powerful shoulder, and hindquarters. The Roadster weanling is shown with a full mane and tail. The trot should be strong and balanced. A correct way of moving with balance off all four legs is most important, rolling from the shoulder, bending at the knees and flexing of the hocks to create a balanced two-beat trot. Long sprawling action or a labored way of moving in front is to be penalized as well as dragging or trailing hind legs or mixing/pacey gaits. Excessive suspension or hanging of the hocks is to be extremely penalized. The Roadster weanling should exhibit the ability to trot at speed while maintaining form.

## ADHHA Roadster Weanling Presentation:

Foals are to enter the arena at a walk and walk toward the judges with foals being led with or without the mothers. After conformation evaluation, foals will be turned loose, with their mothers on a lead, moving in a clockwise direction, being evaluated in a trot. All foals will receive a score sheet, scored for conformation, movement and roadster type.

## RULES:

- A) Foals MUST BE ADHHA Registered.
- B) Bring your foal to the ADHHA Keuring to be evaluated and scored according to Keuring Rules and Regulations.
- C) If your foal scores 81 or more points, it is eligible for the \$5,000 ADHHA Weanling Roadster Type Breeder's Award.
- D) If multiple foals score over 81, the \$5,000 reward will be divided equally.

*Scores are subject to change, but not without sufficient notice.*
