

2022 ADHHA Keuring

Good Day to the Dutch Harness Horse world!

This year we as a Keuring committee would like to try some different things to try and improve the stalling and paperwork in the office. Anyone bringing horses to the Keuring we ask that you please call in and reserve your stalls. All we want in advance is your name, address, phone number and how many stalls you need including tack stalls.

To reserve your stalls please call 260-336-7776

Once you arrive at the Keuring we will need the form below filled out and submitted with payment. Please make copy's of the entry form and have them filled out before arriving to help speed up registration in the office. Just a reminder all horses must be registered with ADHHA to be entered into the Keuring. The only exceptions are the other breeds in the Demonstration Classes.

Prices for this year are as follows: Stalls \$50

Demonstration Classes - \$75

ADHHA Weanling & Yearling Inspection - \$75

ADHHA Ster Inspection - \$100

ADHHA Keur Inspection - \$125

ADHHA 2 yr old Stallion Advice Inspection - \$150

ADHHA Stallion Inspection - \$225
