World Champion Bob Bobaloo is sired by 5-gaited WC Belle Reve's Renaissance Man and out of Catalyst mare Lady Of The Realm, whose bloodlines include WC Foxfire's Prophet, Yorktown, and Supreme Airs. When showing, Bob won in multiple divisions; fine harness, 3-gaited, and park. Not only is he beautiful with his flaxen mane and silver tail, he possesses elegant conformation and gameness, tempered with impeccable manners...all great assets passed along in his pedigree. Bob is a wonderful outcross for so many mares. Trainers are impressed with the intelligence, trainability, beauty, and natural performance of his offspring. From his first crop of foals, The Winter Rose was a Reserve World Champion in the Adult Show Pleasure division as a 5 year old. Bob is also the sire of World Champion of Champions Lovely, World Champion Dazzlelight, and World Champion Say Amen.

Rock started his show career with a \$20,000 Breeders Sweepstakes win. For reasons that are difficult to explain, he was deprived of a future show career. Who knows what he could have done in the ring give the opportunity. We purchased Rock a few years ago and his breeding career started. He has had several Futurity winners including a Michigan Gala winner and a Reserve Champion in the Morgan Weanling Gala. He throws big babies with upright necks and lots of attitude! Rock is also homozygous and has thrown several black foals. This breeding is only valid on a DHH horse mare.

Morgan

Tughill Whammunion

Spellbound

Aff Leroy Brown

Little Liza Jane

Big, bold, beautiful at 16.1 hands with refined beauty and true Morgan type. Caffeinated has caught the attention of many with his significant presence and lofty elevated trot. His gentle disposition and ability to think well, make him easy to work with and be around. The report of previous breeders has been that his offspring have the same qualities-long neck, long legs, beautiful eyes, and are very athletic. We welcome the DHH breed to consider Caffeinated to outcross for new blood. This contract is available to a purebred DHH mare only!

Jeromino has been worked in harness and under saddle. He is a big horse with a big heart. He has a long and upright arching neck and prominent withers, high tail carriage, suspended trot, open front end motion and excellent balance. His commanding presence and elegant movements draw attention wherever he goes, and yet he has a very gentle temperament. If you are looking for these qualities in foals, please consider Jeromino for your breeding program.
