 On-Farm Breeding &  
 Shipped Semen Available  
 Mare Care Available

### Services:

Training & Showing  
 Sale Prepping

### Comments:

*The quality and inherent natural ability of Solist is readily apparent, even in his informal photo above. His elegant features and superb conformation are hallmarks of a great pedigree. Imported from The Netherlands in late August of 2002, he was as yet an unshown three-year-old, and has not yet received his opportunity to be inspected for the KWPN Stud Book and still retains his foal book (VB) registration number.*
